

WCC Tawa Rescue

Team Training Framework

This is a fluid document and may change as LGITO, FRSITO, MCDEM, WEMO and other organisations change their requirements, and/or as team management finds appropriate.

SP = Self Paced C = External Course IT = Internal Team Training * = Internal Assessor
Shaded modules are the components for an "Orange Card" Bold modules are components for "Orange Card Endorsements"

Team Core Skills

Core team skills in awareness of Civil Defence structures and Personal Safety are considered compulsory for all team members regardless of their role in the team (including Welfare Officers).

LGITO Certificate in Emergency Preparedness

Introduction CDEM	SP / IT	7334
Introduction to CIMS (CIMS2)	C	17279
* Health & Safety	SP / IT	10425 or 497
Personal Readiness	SP / IT	528
* Stress Management	SP / IT	12355

* Height Safety	SP / IT	17600
* <i>Medical Ethics and Rights</i>	SP / IT	6127
Confined Space Awareness	SP / IT	18426
Chainsaws and power tools	C	#

Optional Elective Specialties

The Team encourages members to specialise in one or more skill groups. Whilst there are many modules available, those outlined below are seen as valuable to our team and hence the team will endeavour to support members in their pursuit of these modules where possible. The team may support training in other modules as management sees appropriate.

Note some modules and LGITO Certificates do have pre-requisites.

Medic - (RT Medic Endorsement)

LGITO Certificate in Emergency Medical Response		
Pre hospital Emergency Care	C	14470 » 14473
Mass Casualty Triage	C	7319
